

## **HOSPICE HUNTSVILLE EXECUTIVE DIRECTOR**

Hospice Huntsville is pleased to announce that Beverly Lashbrook has been appointed Executive Director. Beverly will work collaboratively with the Hospice Huntsville board, staff and volunteers to provide consistent and compassionate end of life care within the community and in the planned residential hospice which will be built in the coming year.

“This position presents tremendous opportunities to provide leadership and to make a difference in the lives of individuals and families in Huntsville and surrounding areas. The prospect of being able to plan and implement residential hospice services within a burgeoning community and a vibrant organization is certainly exciting.” said Beverly.

Previously employed by Caledon Community Services for 17 years, Beverly was a leader in planning, developing and delivering services to seniors, caregivers and people with disabilities. As Director of Community Programs she was a dynamic and effective manager of a competent, well-informed and high-performance team of staff and volunteers. Beverly’s interpersonal and communication skills are exceptional, whether dealing one-on-one with palliative care clients, in interaction with multi-disciplinary health care teams or when working with stakeholders and government funders.

Beverly Lashbrook began her new role as Executive Director on February 8, 2010.
